

# Sea Lion Landing

Sea Lion Landing features California sea lions and harbor seals, housed in a remarkable recreation of San Francisco’s famous Pier 39. This venue offers spectacular sights at varying vantage points for watching our resident pinnipeds in action. Enjoy underwater views through an expansive 35-foot-long panoramic window, allowing nose-to-nose interaction with these playful creatures. Guests can also view from above, overlooking our 250,000-gallon saltwater habitat on the upper deck. This unique venue is available for private events one hour after the Zoo closes and includes tables, chairs, set up, clean up and an event supervisor.
